9+ YEAR ONGOING STORY

Established in 2013, **Viperio is the North East of England's leading esports club.** Viperio has competed at multiple **European level competitions** in world class venues such as **Wembley Stadium**, at 13+ in-person tournaments and countless online events.

371,000+ PROFILE VIEWS

In 2021, Viperio saw over **1,750,000+ Tweet impressions** and **371,000+ profile views** on its [team Twitter](#) alone. When further including all players, personalities and staff (some with Verified Profiles), Viperio has a sizeable presence with UKI Nordic esports.

RESULTS IN-GAME & OUT

Whether it be **signing world championship level players** or **generating \$70,000+ sales revenue for one of our partners**, Viperio is a success driven organisation both competitively and commercially.
